# SALUTE TO SENIORS

The Vandalia-Butler Alumni Association (VBAA along with other Vandalia-Butler Non-Profit Organization and support from our business community is once again honoring our graduating senior with a... SALUTE TO THE SENIORS display!

Since 2020, VBAA and community groups and businesses have joined together to create, build and fund a lighted senior display on the high school lawn honoring graduates. Because of the tremendous district and community responses, this is now an annual VBAA event.

To support the continuation of this new tradition, the VBAA is seeking financial donations. Your support provides each senior with an individual lawn sign and commemorative poster. The VBAA also will host the 2023 seniors with a catered breakfast at the high school.

A donation of at least \$500 will display your logo on a sponsorship banner for public acknowledgment in front of the high school. A donation of any size will have your company name on the banner. All Sponsors will receive a commemorative poster and be listed on the VBAA website:

[www.vbalum.com](http://www.vbalum.com). We will also be highlighting our Sponsors on the Vandalia-Butler Alumni Nation Facebook page with 5000+ followers.

Sponsorship levels from \$100 to \$1500 are available.
